

Dear Parents

Term 5 Clubs (April – May 2024)

For your information, here are the details of the clubs which will run at school next term. If your child would like to sign-up for school-run clubs then please tick the appropriate sign up column and return their completed slip by **Friday 22nd March**. Club place allocation for applications received after this date will be at the discretion of the club organiser.

Please note that there is an expectation that pupils are prepared to commit to attendance for the full length of the club and that they will attend as often as possible. If your child has a club place but is not attending then we will contact you to find out the reason. This is particularly important since the number of available spaces for clubs is limited and places will be allocated on a first come first served basis with a waiting list operating for full clubs.

Football clubs is continuing from last term but is open to new members. SATs maths booster club will continue until Wednesday 15th May Existing club members will retain their places and you do not need to sign up again for this term. Please inform the Office on enquiries@eagle.lincs.sch.uk if your child does not wish to continue attending either club.

Please can all parents be mindful of any club taking place on the school field, such as football or Premier Education. These are clubs for the school children only so school staff will continue to be present to secure the site. This means parents are not permitted to remain on the school site to spectate from the school field. This applies to all parents irrespective if they have a child at the club or not. We appreciate your understanding and compliance with these arrangements which are in place to safeguard all pupils.

If your child has a place on their chosen club(s) then they will be sent home with a confirmation slip in their bag by Monday 25th March. For school-run after school clubs, a further permission slip will be required for completion to ensure that collection arrangements are clear. If your child is placed on a waiting list we will inform you of this and subsequently let you know if a space becomes available.

Kind regards
All at Eagle CP School
