

Pupil Premium Grant

Our Board of Governors believes that every pupil at Eagle CP School should have equal opportunities to achieve the best possible start to life and where no child gets left behind. We do this by supporting ALL our pupils through quality classroom teaching, supplemented by interventions to support vulnerable learners. With the addition of Pupil Premium funding we can add to our provision, therefore we endeavor to encourage parents and carers to apply for free school meals as pride and changing circumstances can act as barriers to its take-up.
