

Class 4 - 2024 Summer Homework

We believe that the basic skills are the ones that we should be practising at home so that they become a habit of life. That way, they are not seen as a task or chore, but simply an interest or game ...

Daily Reading	Device Time	Talk Time
Read, read, read - a school book, home book, newspaper, subtitles or comic and jot it in your reading record	Many of us use devices in our 'downtime' – we encourage you to use educational apps to practice reading and maths skills	At home you can continue to improve speaking and listening skills, and help remember and extend our classroom learning by checking on the Class Story on Class Dojo to see what we get up to

Log-on to the appropriate apps for educational 'device time' (where applicable, usernames sent separately):

Termly Project Tasks

We believe that learning 'sticks' best when it connects, is rehearsed and is explored based on personal interest and skill set, with an element of choice and purpose thrown in to motivate.

Creativity (3 points)

- Make a model of a famous volcano.
- Draw a diagram to explain the movement of tectonic plates.
- Create a cross section model of the earth and its different layer i.e. Crust, core.
- Design and create a disaster proof building.
- Make a tornado using a range of materials.

This term's POWER Project is

"Disasters"

HAND-IN: 15th July 2024

Mathematical Skills (2 points)

- Plot on a map where 10 significant volcanic eruptions have occurred. Do you notice any patterns?
