Dear Parents

World Book Day

It was a pleasure to share stories together yesterday and see such a range of books come into school. It was interesting for us to see book preference too which may help us to find other, similar books to include in our lessons. The children in Reception were so engaged with all the stories we read every time the bell rang and learnt about taking turns too if it wasn't their book being read. Year Three (pictured) were busy making circle books to show the front cover, best bit and plot.

As a new feature of the day, we had the Usborne book sale set up at school to encourage the love of books to continue with the WBD voucher.

Sports Relief

Next **Friday 13th March** it is Sports Relief. We always do something to support this cause and in keeping with a motto 'get your kit on' we can come to school in sports clothing in exchange for a donation to the charity. This can be a kit, outfit for a particular sport of fitness (...but not swimming 😊!) or simply leggings/joggers and a t-shirt/sweater. Please do not purchase anything especially for this event.

Parent Consultations

The two evenings were well managed by a group of hard-working volunteers, our House Captains – thank you 😊. They were very thorough in their approach to asking you for your thoughts in our re-development options for the old mobile area in our Parent Survey. Thank you to everyone who responded and came up with ideas. There were some fabulous suggestions and some that we had thought of too. As soon as we make a start we will let you know what we have to look forward to.

Covid-19 – coronavirus

We have continued to share with you the Public Health guidance in relation to the action we should take as schools. Please be assured that there is daily communication which we pass on if applicable. Once again, please continue to support us with regular hand-washing (for as long as it takes to sing 'Happy Birthday' twice) and ensure hands cover mouth when coughing/sneezing.

Kind regards, Hayley Adams
