

Eagle CP School Newsletter

Term 1 Week 1
Friday 7th September 2018

Dear Parents

Everyone at Eagle School would like to say 'welcome back' to school after the summer holiday and wish a warm welcome to Jayden and Sonny who have joined our school in Class 2 and 3 and to our new Reception class - Alex, Alice, Mia, Ginny, Tighe, Rylan, Isla, Drake, Nancy and Elly.

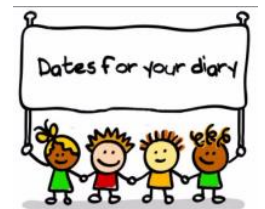

All the children have come back with a spring in their step and eager to explore the changes in the classrooms and find out what they will be busy learning about...

Curriculum Newsletters

As well as our weekly newsletter, this week you will receive the Curriculum Newsletters for each class which give you an idea of what will be covered across the Autumn term. We hope that you find them useful and that they give you starting points to talk about their days at school.

Diary Dates

At the start of the school year, one of the most important things is our long list of dates of events and half terms. As well as school events, the Friends of Eagle School met this week to agree on dates for lots of their events and these have been included in our whole school calendar which is attached also and on the school website. Of course, this list will be updated throughout the year as more events are planned or where unavoidable changes may occur.

Reading Newsletter #2

How many books did you read over the summer? I surprised myself, but Mr Watson beats me hands-down with a huge 15 books read! What we both found though, was that our reading prompted our children's reading and story listening and then they were eager to talk about the stories too. It was win-win.

At Eagle School, we are passionate about the benefit that reading can bring: enjoyment, imagination, creativity, vocabulary and skills across the whole curriculum so we have our second Reading Newsletter link below for you to peruse. Mr Watson writes that he has recently rediscovered the books that are available from the Lincolnshire Library Service - books, graphic novels, audio books (great for car journeys!), eBooks and much more.
