

Eagle CP School Newsletter

Term 1 Week 2
Friday 15th September 2017

Dear Parents

Our Autumn term has begun with incredible varied weather – hot/cold, wet/dry, we can barely keep up! It was funny when we all dashed for shelter when it went from sunshine to torrential rain in a split second and the teachers all enjoyed laughing at those on duty from the comfort of the new staffroom area in the portacabin!

Labelling Uniform

Please make sure that your child has what they need to keep them comfortable for the weather – a waterproof coat for playtime and maybe a hoody/trackies for outdoor PE. Most importantly, pleeeeeeaaase, can all items be labelled as we do not have a lost property box, we just try to repatriate lost items straight away.

Diary Dates

Attached with this newsletter you will find our Diary Dates. These are also available on the website as a 'quicklink'. We try to consider as many future dates as possible, but additions are made and sometimes unavoidable changes take place, so we appreciate your understanding. An additional 'date' will be sent home if your child is awarded a teacher merit as we invite you to attend a small and informal Celebration Assembly in which we share their moment with the school. We give a week's notice to help with work commitments, however we appreciate that it is not always possible to attend and therefore we don't make it too much of a grandiose affair.

FOES Ladies Quiz & Fun Night

I am sure this promises to be the best ever ladies night on record as it is to be the last! Staff are considering team tactics and are quite persistent that Mr Watson should shave his beard for the event! Please ask around and get a team together and join in with this event, it is always great fun and a chance to get to know new faces.

E-safety at Home

The age of the tablet is here to stay and connectivity to the world wide web brings many avenues for learning, enjoyment and friendship. But as parents, we may have concerns over what may be streamed and not always know what is up to date. From time to time we will forward helpful links and download magazine called DITTO. Whilst they may have no relevant for your children at this time, it may be helpful for older siblings, friends or just your personal knowledge:

Control & Click to open up a link to 'top 5 apps parents should know about' and the DITTO magazine:

Muster Day

Saturday 30th September

We need your help ... Following the internal changes to the school over the summer we are left with an enormous list of odd jobs! If we can get them done, it will make a difference to our outdoor areas and play spaces, as well as access to lots of donated resources too. We have picked Saturday 30th September as the day we hope to get as many people as possible to help with gardening, staining, heavy lifting and shifting and general 'tweaking' of bits and bobs. If you could give up some time to help it would be greatly appreciated. Thank you ☺

Kind regards, Hayley Adams
