

Eagle CP School Newsletter

Term 1 Week 3
Friday 22nd September 2017

Dear Parents

Saturday 30th September - Muster Day

Last week we mentioned that we need your help on our Muster Day next Saturday. Some heavy duty removals are taking place this weekend to help get us started, but we would very much value anybody who could spare a couple of hours to lend a hand on Saturday 30th September. We have some shed moving and fixing; shed staining and garden tweaking to spruce up the outside space on the list. All the while, the urn will be boiling for cuppa and there may be a sausage butty or two on offer to keep the hungry workers going. If you think you can lend a hand, please let us know in the office or via email so we can have enough to go round. Thank you ☺

Friends of Eagle School (FOES)

Their first event is the Ladies Quiz and Fun Night which is always a great fun way to start the events calendar. If you haven't already got your tickets, there is still time to get a few friends together and join in the fun. Also, you may be interested in joining in with FOES? It can be as much or as little time as you can offer and it is a great opportunity to share thoughts about the events for the school and community, as well as fundraising ideas. Their first meeting of this year is Monday 25th September straight after drop-off at 9.05. If you would like to join us, please come to the main school entrance and then we will go and settle down for a cuppa to kick off the meeting.

Back to School 'Visitors'

Once we've all caught up with our friends after the summer break, it doesn't take too long before we all start to share little bugs that can start to make us a little bit snuffly, cough here and there or give us an annoying itch! Please help us reinforce what we have discussed in terms of blowing our noses, throwing away tissues, covering our mouths when we cough or sneeze, washing our hands regularly and checking and treating hair at home to keep on top of any headlice which may crop up. These are all perfectly normal parts of school life but it's good to keep on top of things.

Parking

We know it can be awkward to find spaces to park at drop-off and collection times and that cars travelling through the village can often pick up a pace! Please can I ask that you take great care to park avoiding driveways, keeping paths clear and when you are walking along the paths be vigilant of cars travelling and over-taking. We want everyone to arrive and depart safely. We will once again be helping with the village speed sign soon and keeping the smiley face set to the right speed.

Kind regards, Hayley Adams
