Term 1 Week 4  
Friday 29<sup>th</sup> September 2017

Dear Parents

## Saturday 30<sup>th</sup> September - Muster Day

Many thanks for everyone who is coming along ... just in case you have missed it, tomorrow is our Muster Day starting from **9am**. The aim is that many hands will make light work of the jobs in the outside space to get it all ship-shape for the winter and finish the works that were carried out during the summer holiday. If you can attend, we'd love to see you. Whilst we have a few bits and pieces, a brush or roller, fork or spade, tools, bits and bobs might be useful to have on hand depending on your preference. Also, if anyone that has a small off-cut of ground membrane that could be donated it would be very much appreciated as we only need a small piece to go under a sandpit. Thank you ☺

## Over half way!

Can you believe that we are half-way through our first term? Coming up we have been invited to the Village Harvest on Friday 6<sup>th</sup> October @ 6:30pm, we will visit the Village Photographic Exhibition, Parent Consultations will be taking place in the last week of term which we round up with a Sharing Assembly for the whole school to which you are invited. We are always busy and try to keep the diary dates up to date on the website 'quicklinks' section. Please remember, you don't have to wait until Parent Consultations to have a quick chat with us at the beginning or end of a school day. In fact, we quite like a natter.

## Friends of Eagle School (FOES)

Their first event of the year is the Ladies Quiz and Fun Night and tickets are selling fast. It is always a great, fun night and great way to get to know everyone. It would be great to see everyone there!

The FOES team is changing slightly, if you would be interested in being part of FOES; please complete the slip at the bottom of the newsletter (or by return email for ease). You could join the **Committee** and help plan and organise the events and fundraising or be a **'Friend of FOES'** to be around on events days to lend a hand - as little or as much as you are able to offer.

## Christmas .... ssssh!

It will be here before you know it! In the next week or two, Christmas cards that have been designed by your child(ren) will be coming home for you to see. You will be able to order packs of these cards and other Christmassy bits too, all with your child's design on. Keep your eyes peeled.

Kind regards, Hayley Adams
