

Eagle CP School Newsletter

Term 1 Week 6
Friday 12th October 2018

Dear Parents

School Photos

The Wrates Photographer has been rescheduled for **Monday 15th October** to take individual pupil photos – please accept our apologies for this delay. An even better day though as it is straight after the weekend so you will be relaxed and refreshed. If you would like a sibling to be in the photograph who does not attend our school or pre-school on the day, please arrive at 8.30am and these will be taken before school.

Parent Consultations

If you have requested an appointment, the slip will be coming home with your child tonight to confirm the time and date. Please note that every effort has been made to arrange appointments as close to your preferred time as possible. Upon your arrival, the internal door will be open and a sign-in table will be placed opposite. Once signed-in, please head to your child's classroom where their work will be set out for you to peruse while waiting for your appointment. Your child's class teacher will then come to greet you for your meeting which will take place in the hall.

Don't forget
parents
evening!

Harvest Festival – Lincoln Larder

Following our part in Eagle Village Harvest last week, we will gather for our own school harvest on **Friday 19th October** at 2pm in Eagle Church during which all children will present something with their class during a collective sharing assembly. We would love to see you there! In the spirit of sharing and gathering, we would like to support the Lincoln Larder who provide emergency food parcels to families and single people who face a crisis in their lives, particularly because the Larder has struggled this last year to meet the demand and have noticed a downturn in the level of donations. Please see the attached list from Lincoln Larder which highlights the ideal type of donations – please bring any donation that you are willing to give to the main school foyer or hand to your child's class teacher and our sharing and giving will help someone in need. Thank you.

Sainsbury's LEGO Cards Swap Club

Have you been persuaded to collect the Sainsbury's LEGO cards and you are now missing the last, vital few? Whilst there are 'swaps sessions' in Sainsbury's café, if you cannot attend these you can send a list of the cards required into school before **Thursday 18th October** with an 'equal or more' selection of cards you wish to donate to the cause and I will do my best to source your outstanding requirements. Please keep your list and donations together in an envelope or sealed bag. Thank you.

N.E.S.T. Sports

Today Class 4 took part and enjoyed a NEST event held at NK Academy hosted by MSP. They participated in an 'inclusive' rotation of sports that saw them experience playing sport from the perspective of people who have disabilities. Blindfolds were worn as they played goal ball, football and jumped hurdles whilst being guided. They sat down for basketball, archery, boccia and volleyball. They also played one handed golf and knelt down to experience curling. It was super to see co-operation, teamwork and trust in all the activities. The children had a great time and thought it was 'awesome', 'creative', 'incredible' and 'very good'.

Car Parking

Please accept this as a polite notice that we are aware that cars are not necessarily parking with care and in recognition of the zig-zag safety zone. Also, speeds are being observed in excess of the 'smiley face' machine. Finally, cars are utilising the staff car park for turning and pulling out onto the road where children and parents are using the school gate and crossing the road. Please help us to make the beginning and end of the school day as safe as possible. Thank you.

Kind regards, Hayley Adams
