

# Eagle CP School Newsletter

Term 1 Week 7  
Friday 19<sup>th</sup> October 2018

Dear Parents

## Shoebox Appeal – Operation Christmas Child

As with previous years, and back by popular demand, we will again be running the shoe box appeal in liaison with Samaritan's Purse. The idea is to fill a shoebox with goodies and talk about the purpose behind the idea which is outlined in the leaflet, as is particularly pertinent as we prepare for Harvest and think about gathering and sharing. We hope to have the boxes collected on **Friday 23<sup>rd</sup> November 2018**, but know that some families like to use this half term to put their shoeboxes together. We have sent out the leaflets this week explaining all the details of what is to be included, a suggested donation of £5 is on the leaflets, but as we are sending multiple boxes please do not feel you have to donate anything other than your shoebox, unless you wish to do so.

## Lincoln Larder Harvest Celebrations

This afternoon we welcomed family and friends to join with us share in our Harvest time thoughts. We have spent our week thinking about our locality and so the rural harvest, but also the personal harvest that we can share with others. We will take our harvest donations to The Lincoln Community Larder after October half term and would like to thank you for your donations to help those families and individuals in our County who at times need an extra bit of support.

## Sainsbury's LEGO Cards Swap Club

This week, several children have brought in lists of cards and donations to hopefully complete their Book. If you manage to organise the list of swaps over half term, you can still bring in an 'equal or more' donation of cards and your list in a named envelope or sealed bag I will do my best to source your outstanding requirements. We have done quite well so far and three 'swappers' have now completed their books and three are waiting for the elusive number 42!

## It's Half Term ...

We wish everyone a relaxing and restful half term, enjoying the change of seasons and time to re-charge our batteries as we prepare for another long term. During this term, 'behind the scenes' we will be preparing for our school birthday celebrations when we turn 140 years old on the first day back after Christmas. If you have access to anything which may help us plan a fitting activity or information which we can incorporate into our learning this would be gratefully received.

Relax and read, be with friends and family, enjoy time playing games and using your imagination ... maybe even put the technology down every now and then ... and we'll see you again on Tuesday 30<sup>th</sup> October.

## Bags to Schools

In time for half term, you should find a 'bags to school' collection bag in your child's book bag tonight. If you are having a sort out, simply fill the bag of the things you're getting rid of and drop them in the school car park on Wednesday 28<sup>th</sup> November before 9am. Your unwanted items will then raise funds for school – thank you.

Kind regards, Hayley Adams
