

# Eagle CP School Newsletter

**Term 1 Week 7**

**Friday 21<sup>st</sup> October 2016**

Dear Parents

## Lincoln Larder Harvest Celebrations

This afternoon we welcomed family and friends to join with us and share in our Harvest time thoughts. We have spent our week thinking about our locality and so the rural harvest, but also the personal harvest that we can share with others. The Lincoln Community Larder have collected your generous donations and thank you for helping those families and individuals in our County who at times need an extra bit of support.

## Shoebbox Appeal – Operation Christmas Child

As with previous years, and back by popular demand, we will again be running the shoe box appeal in liaison with Samaritan's Purse. The idea is to fill a shoebox with goodies and talk about the purpose behind the idea, especially with the lead up to our harvest when we think about gathering and sharing. We hope to have the boxes collected on Thursday 17th November 2016, but know that some families like to use this half term to put their shoeboxes together. We have sent out the leaflets this week explaining all the details of what is to be included.

## Christmas Cards

Did you know that there are only 9 Sundays left until Christmas?! Why not get your Christmas Cards sorted and order from school with your child's own design. Please can all orders be in by Friday 4<sup>th</sup> November, thank you.

## Maths Whizz

We know that few people have experienced difficulties logging on to Maths Whizz when using tablet technology (ie I pads). We have been working with the Professor this week and have tested a number of log-ins and all are currently working. Please remember that the codes are case sensitive. Hope you enjoy 'whizzing' over half term as we have already seen some phenomenal progress results and learning transferred into the classroom. Professor Whizz is making his rounds – if you use Maths Whizz as much as you can we may get a visit from him next term!

## Friends of Eagle School

Our Friends of the School team of volunteers meet several times throughout the year to plan exciting events and activities to fund raise for our School. They are a super bunch, coming up with great ideas to help fund raise. At the moment they are in desperate need of a treasurer. Although the group is informal and fun in its organisation, as it is a charity group it must follow certain guidelines to be allowed to run, so without a Treasurer they will not be able to continue. Can you help? It is not a complicated role and only needs a check of money coming in and out, so no financial experience is necessary. If you might be interested, please either contact a FOES member or school.

Finally, thanks must go to FOES and Mrs Bottom for organising the Ladies Quiz Night in the village hall this week. A good night was had by all and thankfully the Staff Team did not disgrace themselves by coming mid-table in the results league. An amazing £685 will be split between school and playgroup ... WOW, thank you all

Kind regards,  
Hayley Adams
