Term 2 Week 1
Friday 4th November 2016

Dear Parents

Welcome back to our second autumn term ... and autumn it certainly is! Our surroundings are blessed with beautiful colours as our landscape changes. Some of our classes have made the most of the falling leaves and brought them into the classroom to create, use and learn from. Also, welcome to George joining Class 2, how well you settled in to our school.

Poppy Appeal

Just as in other years, we have our 'Poppy Appeal Shop' at the office window at the moment. There are lots to choose from including snap band rulers, bands, elastic bracelets, reflectors and the traditional poppy. If you would like to purchase from us, suggested donations range from 50p to £1.

Shoebbox Appeal – Operation Christmas Child

Many thanks for the shoeboxes that have started to arrive in aid of Samaritan's Purse to provide a Christmas gift for children who would otherwise receive nothing. We sent out the leaflets before half term explaining all the details and what can be included. Our collection date is Thursday 17th November ~ if you would like a spare leaflet; they are available in the office. More details can be found following this link:

Maths Whizz

During our training day on Monday 31st October, teachers from Eagle and local schools gathered here to find out about more features of Maths Whizz. We were pleased to see the work some children had been putting in over the half term and the difference it was making to their maths profile. Also, we were pleased to be awarded a Silver Certificate for Eagle School Maths Whizz hours. So that we can continue to improve our maths skills, we will continue to reward 'Top Whizzers' each week and now also 'Top Year Groups' to keep the incentive going. As before, we will run a competition over our Christmas break, with medals, a trophy and prizes funded by a kind donation to school from a sadly missed School Governor. More details to follow.

Friends of Eagle School

Our Friends of the School team are still in search of a Treasurer. As they are a charity group, they must have a Treasurer as part of the team to be allowed to continue. Huge thanks go to Jackie Jinks, who is kindly continuing her role even though her children have all now left our school. Can you help? If you might be interested, please either contact a FOES member or school.

All the Fun of Fireworks

No doubt many will be visiting displays or sharing time with friends and family to enjoy fireworks and sparklers. Please make sure that you all take care ~ stay close to your adults while at dark or busy displays and never touch anything unless an adult has shown you that it is safe and what to do.

Kind regards,
Hayley Adams
