Term 3 Week 2  
Friday 13<sup>th</sup> January 2017

Dear Parents

## SPELLING BEE

Last Friday we reported on our winners from our first ever Spelling Bee. Today we were able to present our winners with a Certificate and Prize. It was a pure pleasure to see the children attempt some incredibly tricky words, which certainly get us adults scratching our heads a little! They really did rise to the challenge and proved that we will not be beaten by these complex spellings. Our teams were great support too ... and ... it was clear that they were up on the spellings too. All I can say is "keep up the great work" ... we are really making a difference.

## Homework Change Team

The Spelling Bee words may have been stuck to your fridge or appealed to a competitive spirit or two, but it may have got you thinking once again about Homework. At the beginning of the year a group of parents met to discuss homework and all the "how, what, where, when, why's" associated with it. From the meeting we introduced a homework plan and have had a full term getting used to it. I would like to invite the change team group back to meet and review how it is going? If you would like to join in too, that would be great. I propose **Tuesday 31<sup>st</sup> January** at 2.30pm. Please get in touch by return of email reply if you can attend. Thank you.

## Celebration Assembly

For some time our Celebration Assembly for pupil achievements and invited parents has been held at the end of the school day on a Monday. This term we have made a change to help manage our weekly timetable but also in hope that it helps you to be able to attend too. We will send home the certificate on Friday inviting you to attend our assembly the following Friday.

## Robinwood Parents Meeting

Each year we arrange a trip for our Year 5 and 6 children to travel to Robinwood Activity Centre in Todmorden for a residential stay ... and the time is almost upon us to get our bags packed and board the bus! Here is a reminder of the meeting on Tuesday 17<sup>th</sup> January straight after school to help with any last minute questions and find out a little more about the Centre for invited children and parents.

## Attendance

Today we presented a HUGE group of children their Bronze Award for 100% Attendance. Well done to ...
