

# Eagle CP School Newsletter

Term 3 Week 4  
Friday 27<sup>th</sup> January 2017

Dear Parents

## See and Be Seen

Lincolnshire Road Safety Partnership (LRSP) is running the 'See and Be Seen' campaign from the 23<sup>rd</sup> January to the 10<sup>th</sup> February 2017. The aim is to promote positive messages to road users and in particular schoolchildren on how to improve their chances of 'seeing' and 'being seen' on the highway, especially during the winter months when more journeys are made in the dark. We have addressed this in Assembly and across school to focus on the key messages:

- Find a safe place to cross
- Stop, Look, Listen, Think
- Wear something bright or reflective
- Put your hood down when crossing the road

## Safe Road Use

Following on from pedestrians doing their bit to be safe on the walk to school, we ask that you help us ensure that the roads outside and around our school are safe also in respect of traffic and travel. We know

parking can be tricky at times, but we ask that you park with thought for the home owners, their drives and the safety of pedestrians on the path. To note, the lay-by grassed area outside of school is not for parking as staff and taxis do use the driveway up to 9 o'clock. In addition, we are noticing a lot of excessive speed limits along the school road, particularly when coming off the bend ~ therefore we ask for your attention to this for your own safety. We have been informed of a large vehicle mounting the curb to avoid oncoming traffic overtaking parked cars at speed. Eagle Village is trying hard to ensure that road users travel safely with the use of the speedo, therefore our messages support that of the Village and Parish Council.

## Diagon Delights

Yesterday the children found out that the work they had sent to the British Library when they were working on their Harry Potter project had been greeted with huge positivity! Jamie Andrews, Head of Culture and Engagement, gave "full marks for [their] approach, which was rigorous but also really imaginative" and felt that there were some great, creative thinkers. It was all so well received, that they sent the class a gift of an Atlas and book. The information was then passed on to the British Library Teachers' Network Programme Manager who commended the inspirational teaching and wonderful school ethos, inviting Mrs Johnstone to become a member of the British Library! Well done Mrs J, well done class 4 and a pat on the back for our school!

## Parent Consultations

The parent consultation email was sent home this week for the 6 & 7 Feb 2017, you can either reply by email requesting a date and time or booking slips are available in the 'whirly gig'. We do our best to book a time as close as possible to, but as I'm sure you will appreciate, this is not always possible.

## Homework Change Team

Just a reminder that there is a follow-up meeting as part of our Change Team for Homework on **Tuesday 31<sup>st</sup> January** at 2.30pm. Please feel free to join us.

Kind regards, Hayley Adams
