

# Eagle CP School Newsletter

**Term 3 Week 6**  
Friday 9<sup>th</sup> February 2018

Dear Parents

## Half Term Holiday Homework ... or not !

This half term break, homework books will stay at school ... yippee. Your child(ren) has been sent home with a reading raffle record card. We are eager to boost, maintain and develop even more our love of reading for pleasure and the enjoyment we can get from books. So, every time you read, ask someone at home to sign for raffle record and these will be exchanged for real raffle tickets and go into a raffle to win, win, win!

## Bags to Schools

In time for half term, you should find a 'bags to school' collection bag in your child's book bag tonight. If you are having a sort out, simply fill the bag of the things you're getting rid of and drop them in the school car park on Tuesday 20<sup>th</sup> February before 9am. Your unwanted items will then raise funds for school – thank you.

## Easy Fundraising

This is another way that you can raise money for school without spending an extra penny. A stand was on display during our Parent Consultations to show how easy registration is via the 'easyfundraising' website. It is available as an App and website to allow you to link through whenever you make an online purchase. It adds nothing to the price you pay, just raises funds for school as you shop.

## Used Uniform

FOES sell used uniform at their events at various times during the year, sometimes though, you may need an item but there's no sale due. To help with this, an order form is available in the foyer for you to select the items you require and leave at school office with the payment. FOES will then find as many of the requested items as possible and send them home via 'pupil post'. For any requested items 'out of stock', the payment will be returned. In addition, if you have any uniform which has been grown out of, all donations will be gratefully received.

## Magical Maths

Just in case you haven't already registered and would like to, there is still time to log on to Magical Maths book a place on either the Key Stage One or Two club.

Well, we've done it. What a great adventure we have had – Year 5, Year 6, Mrs Johnstone and myself have kept ourselves busy and active for the

last three days and enjoyed a fabulous residential. Well done to all the children – they behaved incredibly well, gave everything a go and best of all, had FUN!

Happy Half Term (see you on Monday 19<sup>th</sup> February☺)  
Hayley Adams
