

# Eagle CP School Newsletter

**Term 4 Week 2**  
Friday 3<sup>rd</sup> March 2017

Dear Parents

## Homework

This week you should receive your homework book as usual and notice a few tweaks to the activities. They focus around the more traditional homework activities, with a nod to practising skills from the classroom. We do not intend this to be onerous, but more to keep learning going and develop an element of responsibility. If you have any questions or queries please do not hesitate to ask.

## World Book Day

On **Thursday 2<sup>nd</sup> March** we celebrated the 20<sup>th</sup> year of World Book Day and as usual you didn't disappoint when it came to your creativity with inventing a costume from around the world. We have guessed our 'costume countries' (some were easier than others), looked at books about places to help develop our skills with reading non-fiction books. Friends of the School have kindly offered to donate Atlases and books about the world to school in honour of World Book Day ~ we will tell you more when the order arrives.

## Revd Canon Andrew Vaughan

Last week Canon Andrew came to visit us at school and this week he joined us in our Pupil Voice assembly. He sat with us as our School Council led the discussion which included Red Nose Day and he talked with the children about who he was and his role in the community and made a few friends by telling the children he was a Lincoln City Fan as well as their chaplain! It is wonderful to have a link back with Eagle church, but we certainly cannot thank the Church Wardens enough for everything that they do to welcome and involve school.

## Robinwood Residential 2018

We have sent home a letter today to our current Year 4 and 5 children to book into our next Robinwood Residential visit in February 2018. It is very important that we receive responses quickly in order to secure the booking as the Robinwood centres are very popular and there are very little slots left to book. We always look forward to this trip as it is a big moment for many children in developing independence and perseverance; overcoming a fear in a safe, risk-free environment; and team work and problem solving. As well as being great fun! Many thanks.

## Bags2School

Please don't forget ... if you have been able to sort out any old items, Bags for School will here to collect from the School Car Park on **Tuesday 7<sup>th</sup> March 2017**.

Kind regards,

Hayley Adams

Head Teacher: Mrs H. Adams BEd (Hons) QTS, NPQH
