

# Eagle CP School Newsletter

Term 4 Week 2  
Friday 9<sup>th</sup> March 2018

Dear Parents

## Snow Days

Many thanks for your understanding over our school closures notices last week due to the disruption by the snow. It is always a difficult decision and not done so lightly. On this occasion, a combination of advice from the multi agency group dealing with the disruption across the county and advice from Lincolnshire Police, along with understanding the travel difficulties faced by staff, led to the decision.

## World Book Day

The World Book Day vouchers and information has been sent home this week. Whilst we were not in school on the day itself, our focus has been a World Book Term so the time at home gave lots of chance for reading to earn extra reading raffle tickets. My Reading Raffle Team have been collecting up the reads today and we will draw our new winners next week. We hope to keep encouraging a love of reading and a habit to pick up book for pleasure. Please note, that the school books that your child chooses is just one source of books, their book shelves at home, the library, magazines, etc are all opportunities to read and can be listed in the reading record too.

## Book Club

Remember you can order from the scholastic book club with your world book day token, either order online at <http://schools.scholastic.co.uk/eagle> or pop your order into the office with the correct money or cheque payable to Eagle School Fund before 16<sup>th</sup> March.

## School Uniform

As you may imagine, the weather has brought about the need for extra warmth and so we have a few lonely gloves and bits and pieces which have been popped on to radiators to dry. If you have anything missing, please remind your child to have a look. Also, during the laundry routine, would it be possible to check that the uniform you have is yours? Sometimes when things are taken off, ie jumpers, it is not always the same one put back on. This would also be an opportunity to check that names are still visible or attached - the quickest and easiest way is with a biro or sharpie.

## Sidney's Shed

We have been lucky enough to be invited to take part in a theatre programme with Rhubarb Theatre and the Ragdoll Foundation. The invitation was sent to Key Stage 2 children to become involved in a series of six arts workshops after Easter to be able to learn and use different techniques to put together their own show in conjunction with three other schools. We packed up the replies and sent them all off, just before the snow thankfully and we started the experience on Wednesday when we got to enjoy the production Sidney's Shed at the Terry O'Toole Theatre. There was a lot of excitement, games and ideas are already emerging. Next week the children will bring home their ideas book - a blank canvas at the moment, but they can fill it with all that they have seen already and any ideas they have. An exciting time for this group and a lot of commitment from them too, so well done.

## Mother's Day

On a final note, we hope all our mum's enjoy their Mother's Day gift which FOEs helped your children make. Happy Mother's Day we hope yours is peaceful and relaxing.

Kind regards  
Hayley Adams
