

# Eagle CP School Newsletter

Term 4 Week 5  
Friday 23<sup>rd</sup> March 2018

Dear Parents

## NEST Sports

We kicked off the Sports Relief week on Monday morning with Year 5/6 heading off for their second NEST sports event. This year we have increased the number of events for the children to take part in and enjoy. Not only does this help us to experience some healthy competition, but lets us experience different sports, techniques and skills, as well as developing our social skills as we team up with new friends. As ever, Eagle did us proud and a few medal winners returned.

## Happy 70<sup>th</sup> Birthday NHS

Year 5/6 have had a busy week, as their events continued on Tuesday when they invited their families in to school to see the culmination of their project work on medical practices through the ages. The children have been using all their skills to learn about the changes in history and how the body works. This all ended in a birthday party to celebrate 70 years of the NHS – mapping the changes from then to present day. The birthday cake was an obvious hit, but so too the aromatherapy, hieroglyphs and some very strange medical practices! Parents said:

*“What an amazing collection of subjects and specialists! An absolutely fantastic display and clearly so much has been learnt. Great fun too!” ... “All the children have put in so much work and have looked at healthcare throughout the ages is so much depth. This afternoon was enjoyable and informative” ... “What a lovely time. This really showed a lot of effort and Class 4 should all be very proud of themselves”.*

## Sports Relief

During the week the children have had the chance to monitor their steps to help get up and get moving. To the teachers' despair, it has worked and they are certainly moving round and round and all about ... a lot! The step counters have been collected in after our Sports Relief mile this afternoon, so they all got a fair amount of extra steps to add to their total. These will be looked at and class 'step' winners announced on Monday. The mile was great to see everyone together, doing something at their level – walking, running, jogging, skipping or any other bizarre type of travel. Having a bit of a different afternoon as a fundraising event means that £54.20 will be sent to Sports Relief. Thank you.

## School Uniform

As we approach the Easter break please can I ask that you to do a double check of uniform at home to make sure that you have everything you think you should and that it is all named? We do not keep a lost property box, but we do have a couple of bits, especially gloves – you may even find bits that have been brought home by accident. Also, we're crossing our fingers that we may return to some warmer weather – if you are looking for seasonal uniform and shopping for summer dresses, may I remind you that we wear the blue and white check. Or you may like to order from FOES used uniform as they have lots of branded shirts, a few shorts and summer dresses too.

Kind regards  
Hayley Adams
