

Eagle CP School Newsletter

Term 5 Week 3

Friday 5th May 2017

Dear Parents

Sports Day

This year we have invited parents to be part of the decision making process in areas of school life, for example the Homework Change Team. As we begin to think about our preparations for Sports Day which is scheduled to take place on Tuesday 27th June (weather permitting), I would very much like to hear your specific views and if you have any amazing ideas which would add to the success of the event. We have made changes here and there, introduced the Team Colours and Bibs (thanks to FOES) and developed the day to include the family picnic, but I'm sure there are other things we could do too. If you would like to input your thoughts, catch me at the beginning or end of the school day for a natter, give me ring (01522 868354), pop in or send a quick email (enquiries@eagle.lincs.sch.uk). As a teaching team we can then put all the suggestions together and plan the details of the day.

Tomatoes

Mrs McCutcheon & Ms Egan set up a tomato planting stall and any pupil who wanted to plant their free tomato seeds in the Heinz pots that had been sent to the school were able to do so. Please see the attached leaflet which your child should have brought home to explain the timeline for the tomato growing. Please let us know how your plants get along and share your photos with us – we can even see who gets the most tomatoes on their plants!

Coming to a field near you ...

An exciting week! After months of planning, designing and waiting, our re-development of the field equipment is now underway thanks to the £4,000 summer donation from FOES and their support in applying for a Lottery Grant. This means we can re-instate a new trim trail and install a stage for breacktime fun and perhaps a venue for performances! When the sun starts to truly shine, school is going to be an even more fun place to be!

Please be aware of the orange fencing which is securing the site to enable work to take place – as the installation progresses this will move to take in other areas. Many thanks.

FOES Family Fun Night

FOES do so much to add to the wonderful things we can do and have in our school and sometimes juggling everything can be tricky to fit into the time we have. It seems that for everyone, this year is racing away and as this is the case, the FOES Family Fun Night originally scheduled for Friday 19th May will have to be postponed.

FOES Reminders

Summer Fair - Preparations are well underway for the School Summer Fair on **Saturday 17th June**. Make sure this date is on the calendar and look out for information about how you can help too coming home soon.

Smartie Tubes - FOES would like to thank you for all the tubes that have been returned. If you still have one at home, please could they come in by the end of this term so we can give you a Grand Tube Total!

FOES Facebook - so that you know about the events that FOES are running both for the school and the wider community, FOES post on the Village FB page but have also made their own closed group. The settings will be relaxed for the next seven days for you to search for Friends of Eagle School and request to join the group. They have purposely made it a secure and private group in respect for e-safety.

Kind regards, Hayley Adams
