

Eagle CP School Newsletter

Term 5 Week 4
Friday 12th May 2017

Dear Parents

Well Done!

The month of May is an interesting time. Years 3,4,5 and 6 have completed the statutory and non-statutory tests and have proved how they can work in different ways for different reasons. Our Year 6's certainly did themselves proud in responding to questions in a calm, considered way and showing excellent thinking skills ... a real credit to their personality and positive learning journey. For the rest of May our Year 2's will begin to complete their SATs paper and in June our Year 1 children will complete a phonics assessment (letter sounds). Our Reception will have their end of Foundation Stage completed in July.

Walk Over Cancer

It is a testament to the kindness of the pupils at our school that every now and again a pupil decides to do something to make a difference. This June, Hannah Thomas will be walking 10,000 steps to raise money for children's cancer research. Her flyer with the justifying information is attached to this newsletter and on display in the notice board to the rear of school. Please support her to help beat cancer sooner!

Nut Free School

Please may I remind you that we are currently a nut-free school. We do regularly review this based on health care feedback and response. Should this change, we will inform you via the newsletter.

Itchy ... scratchy

A quick note to mention that we have had a couple of cases of headlice reported. They are a very common problem, especially for children and do crop up from time to time. They can spread and they are annoying, but while they're frustrating to deal with, lice aren't dangerous. They just make a child's scalp itchy and irritated.

It's best to treat head lice quickly once they're found – a pharmacist can recommend a treatment and Tea Tree shampoos and conditioners can act as a preventative measure.

Eagle School Governors Needs YOU!

Do you want to get involved in shaping the direction of our school? If so, we have a great opportunity for you as our Governing body is looking for a new parent governor to join us from September 2017. Eagle School Governors are a mixture of parents, staff and people from our community who share the goal of making our school a great place to learn, to progress and to prepare for life. If you are interested, please see the attached flyer, have a chat with me at school or alternatively you can find out about school governance at:

<http://www.nga.org.uk/Be-a-Governor.aspx>

Kind regards, Hayley Adams

Head Teacher: Mrs H Adams BEd (Hons) QTS, NPQH
