Term 5 Week 6

Dear Parents

Half Term is here ...

... and the sun is shining. We very much hope that everyone has a wonderful half term break and can enjoy everything our locality has to offer on its doorstep. If you have time to visit the Lincoln Knights and see how Sir Aquilam's older, bigger brothers and sisters are doing or perhaps check out the activities in our museums, attractions and the Castle, or travelling further afield, we're sure it will be a welcome break.

Upon our return ...

... without wishing to tempt fate, should the glorious weather continue, please can you make sure that your child has sun cream and a hat to protect them from the sun. There are lots of sun cream brands on the market which offer a 'once' application which, if applied before school, keeps you in control and is soaked into the skin to offer protection throughout the day. Please make sure that these additional items are named, thank you.

Just look at our field now!

The last bolt was tightened and plank fitted to complete the re-generation of our field play area on Tuesday evening. Then the trim trail was fully 'tested' by Mrs Johnstone, Mrs Dennant and Mrs Ridout, with a rendition of Kylie's tunes on the stage for those lucky enough to see it! They had fun and the children have been enjoying it ever since. On Thursday we gathered together to formally 'open' the equipment with our oldest and youngest pupil together cutting the ribbon. Of course none of this would be possible without the fundraising from FOES and the help with a Lottery Grant bid from Mrs Bower. Thank you never seems enough, but hopefully the pleasure and enjoyment of the children playing and the parents watching will show how this legacy will impact on our school for years to come.

Kind regards, Hayley Adams
