

Eagle CP School Newsletter

Term 6 Week 3
Friday 23rd June 2017

Dear Parents

Summer Fayre

What a success the Fayre was on Saturday. The weather was kind to us and there was plenty to do thanks to Friends of Eagle School and Friends of Friends of Eagle School ☺ – a real pleasure to see returning faces manning the stalls! We should all reflect on the community spirit and togetherness which was embraced by the Fayre from what goes on in the background to make it happen and the event itself bringing the Village together as one. An amazing amount of money was raised, with a total profit around £1500!!! We really are a small school that are most definitely high fliers!

Summer Fayre Raffle Prizes

We have some unclaimed raffle prizes with no names from the Summer Fair – if you have Raffle ticket No 260 or 215 please pop into the office. We also have a coffee & cake voucher for two which had been left behind, if it belongs to you again just pop into the office.

Lincolnshire Show

The Lincolnshire Show was an amazing day for the whole school thanks to the fundraising from FOES. Their focus this year has been to support our project work and help us have our very own Knight which we went to see unveiled at the Show. We were lucky with the weather once again as the clouds shielded us from the recent high temperatures and we missed the pouring rain too! Today we have enjoyed reminiscing about the day and as you can imagine we have lots of photos to enjoy.

Sports Day

Will it be third time lucky with the weather for our Sports Day this **Tuesday 27th June**? Fingers crossed, but it's not looking good at the moment. We never want to postpone this event, but sometimes we have to make a judgement call if the weather is too wet to keep us all safe and ensure the experience is enjoyable. We appreciate your understanding if this should happen. But being optimistic, children should come to school on Tuesday in their kit and while we go in to get ready and you can enjoy Cupertino Café for 20 minutes or so before we begin with our carousel and go on to our flat races. If you would like to bring a picnic and join us for lunch you would be very welcome.

Parents & E-Safety

Keeping our children safe is always a high priority, but we must remember that this includes being online. Many children have devices and use them for really positive experiences (Maths Whizz, Times Table Rock Stars perhaps ☺), but we must remember that some apps have an age limit of 13. Therefore no child at our school should be registered on for example Facebook, Snapchat, Twitter or Instagram. Also, playing games such as Grand Theft Auto which has an age limit of 18 should be forbidden. This web link: <http://www.o2.co.uk/help/nspcc/social-sharing> may help you as parents get some background information.

Social media has been reported as having negative consequences. For example **Musically** encourages users to 'add new friends' and it has been reported that this site has been used by adults to befriend children. Also, sites are talking about the **Blue Whale Challenge** – parents, please google this to be aware of this very destructive challenge which has been notified to Police in the UK.

Kind regards, Hayley Adams
