

# Eagle CP School Newsletter

Term 6 Week 5  
Friday 8<sup>th</sup> July 2017

Dear Parents

## Sports Day

We are crossing our fingers that the weather will be kind to us on our re-scheduled date of Tuesday 11<sup>th</sup> July. Should we have to cancel this attempt it will **not** be re-arranged. However we will try to complete the day by leaping into action as and when, so that way we will ultimately be able to report a winning team.

Please come to school in your PE kit so we can quickly arrange teams, warm-up and greet you, family and friends on the field. While you wait for us having dropped off your children, Cupertino Café will be available for your morning coffee and be on hand throughout the morning. Please remember, we finish our event with a picnic and therefore ask that you cancel school meals should this be applicable to you. Thank you.

## Sporting Success!!!

On Tuesday we hosted the local NEST of schools Football Tournament. We asked to host this year to be able to share the legacy of the donation from a former pupil. When Ross moved on to Secondary School, he very kindly left a fund-raised gift of £300 and a plan to re-configure the football pitch. This was to allow different groups of children to play football for fun at break-time and to give us the option of being able to hold matches, so we thought this would be a fitting event to celebrate his donation. Ross joined us and was a great coach and manager for the Eagle Teams, as well as being on hand to present the trophies ... and we won one! Eagle 1 won the Trophy and Eagle 2 narrowly missed winning the Plate following a penalty shoot-out. Both teams rose to the challenge and didn't let the goals against them get them down – great spirit, perseverance and determination. Special thanks must go to Mrs Dick and Mrs Morgan and family, who completely re-arranged their evening to mean that their boys to stay for the final – I am so the glad the result was a positive one!

## Eyes and Ears

It has been brought to our attention that older children have been accessing the school field out of school hours. It appears they have climbed over the school fence and suggested when approached that they have permission to be there to use the goals. This is **not** true - they are trespassing. Please could you be our eyes and ears and help us to protect our school site and equipment by contacting the police if you witness site access and this does not appear to be connected with staff on-site working during weekends or holidays. Many thanks.

## End of Year Disco

Tickets will soon be on sale for the end of year disco. Please note the date is now the last day of term thanks to a little 'tweaking' to mean that the children finish the year with a great party night.

Kind regards, Hayley Adams
