TO SHAPE
a little mind

What we're up to ...

This week and next Little Eagles will be remembering all the important things for getting along and getting to know each other. Remembering manners,

how to play and share, how to keep our space tidy and safe.

ISSUE DATE:
Friday 7th September

Welcome ...

Welcome back to pre-school at Little Eagles! It has been lovely to see you all and see how much you have grown in size and in confidence too.

A big and proper 'welcome' to Miss Jessica too who has fitted in to the Little Eagles team superbly well, with smiles and laughter and lots of ideas for the days and weeks ahead.

In fact, everybody has been super smiley and eager to explore how the playroom has been changed and arranged over the summer holidays. Lots of exciting things to see and do and play 😊.
