Our Autumn Harvest

The children have been experiencing autumn and looking at all the changes that are going on. Today is a perfect day for chasing leaves and watching them spiral in the wind. A perfect chance to watch and wonder. We are also thinking about how we are too and how kind we can be and how we can share.

In school we continue to consider the importance of sharing and at this time of year we support the local Lincoln Larder with donations to help families in times of crisis. A list is attached and if you would like to help and make a donation, this would be a great conversation to have with your little one about how we can give to help and how that can make us feel good. Thank you.

Time for a chat?

We would like to invite you to come and speak to the Little Eagles staff about how your child(ren) has settled into our setting this term. We know it early days, but it could be the perfect time to book a little catch-up.

Just speak with Miss Jess, Miss Debbie or Miss Kerry

to make an appointment.
