

# Little Eagles Newsletter

Thank you for all your contributions – we have raised £145.80

## School Extension

Thank you to everyone for adapting so quickly to our alternative entrance arrangements. They have taken a little bit of getting used to, but I think everyone can get in via the front of the school through the car park gates and the rear of the school with the usual field gate. Our 'office' is sited at the door at the rear of the school hall in the car park and manned during drop-off and pick-up times. Otherwise the doorbell situated on the drainpipe, tucked away from the elements, will alert us that you are there – please be patient as it is further and we may be dealing with something. Thank you for your understanding and patience.
