## Welcome Back

It is lovely to welcome everyone come back in 2018 and see the changes we have included in our playroom. A new layout so the children have different ways to explore and play and the big silver den has been an amazing hit – apologies that it is not in fact a tanning booth to help us think of summer sun ☺!

I'm sure all the children have had a wonderful time enjoying new toys and games and family time and we will continue to learn and develop and grow through play and craft and fun!

THEY ARE  
LEARNING.

## Little Visitors and Unwanted Guests

Over the weekend, we would very much appreciate you using this as an opportunity to check for those pesky headlice which take us by surprise every now and then. We are aware of a few cases and it pays to be aware to make sure treatment is sooner rather than later, though this typically does need to be for the whole family. There are products on the market to treat this, however as a preventative measure, using and combing through tea-tree based shampoo and conditioner can be very effective.

## Tapestry

We hope that technology has been our friend and that you will receive an email to activate your connection to Tapestry. The Ladies have been busy putting into practice their training and uploading observations so fingers crossed, you will now be able to see this too!

## Starting School in September 2018

All children born between 01/09/2013 and 31/08/2014 need to apply now for a school place. Lincoln County Council calculate that they are around 800 applications short for the online closing date of 15 January 2018.

Parents can apply at [www.lincolnshire.gov.uk/schooladmissions](http://www.lincolnshire.gov.uk/schooladmissions) , ask for a paper application form or make a phone application by contacting the Education Team on 01522 782030. If applicants live outside of Lincolnshire then they need to apply to their home Local Authority even if they want a school in Lincolnshire.

If you or anyone one you know has a child who has turned/turning 4, please let them know - also we welcome any family who would like to see our school in action and consider Eagle CP School.
