

Little Eagles Newsletter

It is nearly time for...
**Little Eagles
Christmas Show !!!**

We can't wait to see you on **Monday 18th December** at 9am. After drop-off, we will have refreshments ready for you in the hall while the children quickly get ready to perform.

Following the performance, you are welcome to 'stay and play' with us too – we hope you can join us ☺

School Admissions

If your child is due to start in Reception in September 2018, admissions must be completed by 15/1/18 and can be submitted online at:

https://aspapps.lincolnshire.gov.uk/schoolad_registration.asp

Thank you to everyone who joined us at the Christmas Fair on Tuesday. We hope you had fun and loved the fantastic decorations that the children made for their stall ... Little Eagles did a super job of joining in our enterprise project. We don't yet have a final total, but it's looking in region of £900 fundraised. WOW!

Exciting happenings ... as this term ends and we prepare for the New Year, Little Eagles have already started making a few changes to the playroom. There is still more to come and we hope that you will be excited to see the new features when we return after Christmas ☺

Little Eagles Uniform

We mentioned last week that Little Eagles Uniform is now available to order from Uniform Direct. They will hold a small amount of stock and ensure us that orders will be available in approximately 3 working days.

Please let the ladies know if how you get on ordering the uniform so that we then know how well the orders/availability is working.

It will be lovely to see the children start to arrive in the new sweaters and polo shirts ☺

The
best of all
gifts around
any Christmas tree
is the presence of a
happy family all wrapped
up in each other. - Burton Hillis
