

# Little Eagles Newsletter

## Story time ...

Next week will be filled with lots of traditional tales like the Three Little Pigs and Goldilocks and the Three Bears. If you have story time at home, it would be lovely for the children to hear some of these type of stories – it may bring back memories for you too ... I loved reading the Ladybird Cinderella book as a child and has been super to share it at bedtimes with my children.

## Class Dojo

I have loved looking in Dojo Stories this week and seeing what is going on. Best of all was how the children have used their imagination and play to develop their skills and learn.

What would the rope be when you were a child? A tight rope, a snake, to anchor a ship?

Anything can be everything in play, but best of all is a cardboard box!

Make sure, if you end up with a box, enjoy turning it into something!

LEARNING IS

everywhere

## Sports Relief

On Friday the school will be fundraising for this cause. We will all be in sports wear – anything from a joggers to a football kit. If Friday Little Eagles would like to join in as well, that would be lovely. We will be going out to run the sports relief mile and I'm sure they will pop along to see us all.

## Talk time ...

In keeping with the traditional tales, they will give us lots of chances to explore language. For example, counting the three little pigs – 1, 2, 3; or looking size at the bears' tiny bed, middle-sized bed and big bed. Having a chance to hear and talk about this is how we start learning and become ready for school – how we develop as learners.

What language comes out of every day life? Steps into a shop, a big plate or little plate for a sandwich. There really is learning, learning everywhere!
