

Little Eagles Newsletter

Time flies ...

The year is whizzing by so quickly and it is hard to believe that we are fast approaching September. As we approach our final summer term, we are beginning to firm up days and times for our Little Eagles for next year. Please pop in to the main school office or collect a form to confirm your child's timetable, especially if you are thinking of increasing hours.

Thank you ☺

Pets at Home

Next week Little Eagles will be learning about pets and making our very own Pet Shop play.

If you have a pet at home, it would be lovely to see a picture (we have popped a message on Dojo about this). We will look and share this to help us feel confident talking.

We will think about what we do to look after them properly and keep them happy.

A FRIEND IS ONE OF THE NICEST THINGS YOU CAN HAVE

& ONE OF THE BEST THINGS YOU CAN BE

ISSUE DATE:
Friday 11th May

Just in case ...

Hopefully everyone that wants to has downloaded and signed up for the Apps we use to share with you your child's learning journey and the Little Eagle's story of what we get up to. We use Tapestry and Class Dojo, but both need you to connect and complete the paperwork which comes in the admissions pack. If you have not yet

signed up and would like, please get in touch with the ladies or the office and we can do this straight away.
