

Little Eagles Newsletter

Sleep ... zzzzz

We all love our sleep and we all know how we feel when we don't get enough! The Working Together Team have shared some information with us to share with you about helping children sleep as this can be a battle or a difficult time of the day for some families. And when it makes us feel so rubbish it is an important thing to get right. We hope that if relevant, you find this information interesting or useful. Night night ☺

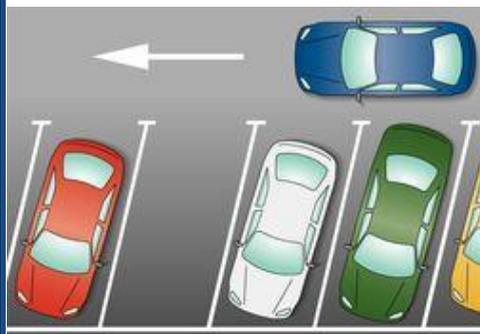

Keyworker Meetings...

If you would like to meet your child's Keyworker to chat about your child's experiences in

Little Eagles, talk about the things they do at home, their interests and maybe the things they need a little bit of help with, they will be available on Monday 5th or Tuesday 6th January. Times will be after 3 o'clock and some will be later on too. The Ladies will keep the list in Little Eagles and so you can chat with them to arrange a time.

School Car Park

As you, Little Eagle Parents use this as a route to the collection gate, we have reminded everyone that the school car park is for staff only and must not be used as a drop off point, turning circle or for parking. We do not allow vehicular movement between 11.50-12.10 and 2.50-3.10 and as such part time staff's hours have been adjusted accordingly.

We would hate for any accidents to happen and we have seen some hasty parking and reversing out onto the main carriageway.

Technical Difficulties

We have recently been experiencing difficulties with our internet connection which keeps 'dropping out'. The use of our Tapestry online journal relies on us being able to 'catch a moment' and we do not want to busy ourselves with technological issues rather than playing and learning with your children. So ... please bear with us while we find a solution to keep Tapestry posts coming while we wait for a new wifi hub. Many thanks.
