Sports Relief

Today we did all things sporty in school and in Little Eagles. We all tried to move a bit more too!

The children in Little Eagles did a fantastic job of using the traditional tales they had been learning about to make an assault course. Great fun!!!

Cardboard Boxes

Last week we mentioned how brilliant cardboard boxes are for play and this week they became the Three Little Pigs houses! You can just see the big bad wolf puppet in on the prowl as the children use them to help their role play as they re-tell the story.

Brilliant creative imaginations.
