

Little Eagles Newsletter

This week we have been so excited to play in our outside space as over the weekend it changed dramatically.

Thanks to a team of staff, governors (and their husbands, brothers, friends too) and Mr Smith. We worked magic to open up the space, spruce it up and make access to all our wonderful toys so much easier.

The favourites have been the mud kitchen and using our energy in the whole space, up and down, up and down, up and down.

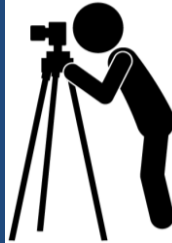

We would like to invite you to come and speak to the Little Eagles staff about how your child(ren) has settled into our setting.

Please look out for details coming separately.

EVERY CHILD IS A different KIND OF flower, AND ALL TOGETHER, MAKE THIS WORLD A Beautiful GARDEN.

How great is this?

Autumn blue sky, beautiful sunshine and the view beyond - rolling fields and the horses coming to say 'hello'. Little Eagles climbed up to enjoy the view, to what they could see and give us a wave as well!
