

Little Eagles Newsletter

Look at what we get up to! Each week Coach Sam comes to visit Little Eagles and spend time to help us move and play and get physical.

This helps us keep fit and be active, but it also helps us with our big

movements, our balance and our confidence to know how we can move safely and carefully. All this fun is helping us to work towards our development milestones too. After this, we went back to our playroom and played with the tweezers to exercise our little movements.

We have been learning about how we are with others and have been saying ...

Gentle Hands
Care

Gentle Hands
Share

This helps us to be great friends and learn to take turns in our play.

Useful Notes:

Photographs were taken on Tuesday and the samples will be coming home soon, please look out for them.

Christmas card samples are also being sent home with an order slip attached should you wish to purchase a uniquely handmade design.

Children
are not things
to be moulded,
but people
to be unfolded.
