

# Eagle CP School Newsletter

**Term 1 Week 6**

**Friday 11<sup>th</sup> October 2024**

Dear Parents and Carers,

We are nearing the end of our first term and what a busy one it has been.

**Parent's evening** – Please make sure you have made an appointment with your child/s class teacher by using the online booking system. If you need help please pop into the office.

**Harvest Service:** Representatives from school performed a harvest poem in church last Friday evening. Reverend Andrew Vaughan emailed me and said, “The children were a credit to the school, and excellent ambassadors.” I totally agree with this, their behaviour was exemplary and their performance of the poem was clear, articulate and engaging.

**Please could you send in any food donations this week, so we can support our local foodbank, The Lincoln Community Larder. Thank you.**

## **MacMillan Coffee Morning**

Once again, thank you for everyone who came to support our coffee morning and an extra-special huge thank you to Foes for organising and everyone who has been involved in baking. We raised a grand total of £163.50

## **Sensory Garden**

Mrs MacGuire and her volunteer gardens are doing an amazing job of clearing and preparing the garden. The children have already planted onions, broad beans, garlic and fruit trees. We would also like to say a very big thank you to **Pennells Garden Centre** who donated £100 gift voucher, so we can buy more gardening equipment and seeds.

**Thank you to MEC Recycling** who have kindly donated 1 tonne of topsoil to refill the mud pit in EYFS.

## **Anti-Bullying**

Class 4 took part in an antibullying session delivered by Lincolnshire Police, where they learnt all about the different types of bullying as well as direct and indirect bullying. The children really enjoyed the session and gained a lot from it.

## **Our 'highlights' of the week ...**

**Little Eagles** – Archie-John has enjoyed exploring the autumn veg in playdough. “I am making an onion cake for Ms Egan’s birthday,” he said.

**Class 1** – John had fun mixing paint to make new colours.

**Class 2** – Hollie enjoyed PE and moving like an animal that lives near the River Nile.

**Class 3** – Jacob found science interesting – we made shadows and changed their size.

**Class 4** – Alice enjoyed having a walk around the village for Geography.
