WHAT HAS BEEN HAPPENING AT SCHOOL?

Lets Talk Rubbish

Lincolnshire Waste Performance and Improvement Team delivered a talk to all classes, which taught the children about the importance of looking after our environment. They learnt about the three Rs (Reduce, Re-use, Recycle), Right Thing, Right Bin and what happens to our rubbish.

Sharing assembly

We finished Spring term 1, with the children sharing their learning. It was a delightful showcase of talent, energy, and teamwork. The children performed with enthusiasm, clarity, and confidence, captivating us all from start to finish.

Down Syndrome Awareness

assembly – Mr Leach led a beautiful assembly where the children have all been given a sunflower to grow. I look forward to seeing their progress.
