Friday 7th February 2025 Spring Term 1 Week 5

WHAT'S HAPPENED AT SCHOOL?

We have had fun-packed and busy 2 weeks with lots of exciting visitors.

We ended January with a visit from Steel from Gladiators. He delivered a motivational assembly on Healthy Lifestyles, answered lots of questions and took part in a photo shoot with all the children.

We were visited by a mobile Vet from The Veterinary Hospital. The older children looked at bones and x-rays and learnt about the profession, whilst the younger children had a go at bandaging and went on the mobile hospital.

Fire Safety Workshops took place in Class 2 and 4.

Class 3 enjoyed an online assembly based around mental health by 52 Lives, a charity who inspire acts of kindness.

NOTICES

By popular demand a Makaton club will start at school shortly. Check the clubs letter for details of this and other clubs running next term.

Road Safety – Yesterday, there was a near miss with one of our families due to vision being obscured as people had parked on the yellow zig zags. Please do not park on these we do not want to jeopardise the safety of our school families.

Homework in Key Stage 2. All children should now be accessing the online spelling and maths homework. If there are any issues, please let your class teacher know.

Don't forget to pop into your child's class next Monday after school to look through books and have an informal chat with the class teachers. Class 2, 3pm – 4pm,
