

# EAGLE CP SCHOOL NEWSLETTER

Friday 2<sup>nd</sup> May 2025 Term 5 Week 2

## WHAT HAS BEEN HAPPENING AT SCHOOL?

### YEAR 3/4 EASTER STORY

The Spring term ended with a lovely performance of the Easter story with a modern twist by Class 3. As always, I was filled with PRIDE because the children spoke, sung and acted like they were professionals. It was the perfect way to end the term.

### EASTER BONNET PARADE

Thank you to all parents who supported this afternoon, whether in person or helping the children design their spectacular bonnets. It was a parade of colour, creativity and joy, where I felt a real sense of the community spirit.

### PARENTS EVENING

We had a great turn out for parent's evening, showing your commitment and dedication in supporting your child's education. Thank you.

## NOTICES

Please could we ensure that the children dismount their bikes and scooters before entering the playground. Many thanks.

We have a lot of lost property, so please could I ask that all items of clothing are clearly named.

As the weather is warming up, please send your children to school with sun cream applied and extra lotion if needed to be reapplied, a water bottle and hat if required.

## Our highlights:

Little Eagles: We have enjoyed being out in the sunshine. "I like climbing on the tyres," Isla told her friends.

Class 1: Charley liked threading fruity beads.

Class 2: Willow H planted seeds in different conditions in science to see if they will grow over time.

Class 3: Toby enjoyed maths this week because he likes fractions.

Class 4: Charlie was happy that he noticed the relationship between  $\frac{1}{10}$ ,  $\frac{1}{100}$  and  $\frac{1}{1000}$ .
