Friday 6th June 2025 Term 6 Week 1

WHAT HAS BEEN HAPPENING AT SCHOOL?

Cooking Stars

The children enjoyed participating in a cooking session where they gained valuable culinary skills, including chopping, grating, mixing, and kneading. The end products were delicious dishes such as pretzels, honey tea loaf, and a sweet eggy toast.

There are still spaces available for the Monday after school club. Please enquire at the office if you are interested.

Enrichment morning

Mr Weaver provided the children with a plethora of activities from snowball fights to tug of war, axe throwing to splat a rat, tabletop football to. The children thoroughly enjoyed all the activities. A big thank you goes to FOES who funded this session for our children to participate in.

Sharing assembly

Another lovely sharing assembly where the children showcased snippets of their learning from Term 5. We were entertained with a range of subjects such as beautiful singing, wonderful story-telling and lots of fascinating scientific facts.

NOTICES

Sports Day

Please note the change of date to Wednesday 2nd July. I apologise for this, but to ensure the efficient and safe running of the afternoon, I need to ensure that we have the right number of staff, and I could not guarantee that on the Friday due to staff movement.

Bag packing

Several children kindly gave up their Saturday to pack bags in Tesco to raise funds for our new playground markings. They raised an incredible £535. They are truly inspirational and a credit to the school! Thank you and well done! We are now in a position to book the company to re-do our playground markings.

Summer Fayre - Dress Down Day

UPCOMING EVENTS AND DIARY DATES

Friday 18th July

Time to Share

Friday 18th July

FOES Summer Disco

Tuesday 22nd July

Leavers and Achievers

Term ends on Tuesday 22nd July and starts again on Thursday 4th September

Our highlights:

Little Eagles: Bertie has been busy making handprints and turning them into Ladybirds as we enjoy activities relating to our story 'The Bad Tempered Ladybird'. "All spotty," he said giggling.

Class 1: Elijah learnt that we can help a bee by giving it orange juice.

Class 2: Hollie looked at a variety of religious places of worship.

Class 3: Bea enjoyed her writing in English.

Class 4: Vinnie found learning about how light travels in straight lines interesting.
