

20 March 2026

Dear Parents

Swimming at Eagle CP School

In line with the National Curriculum statutory requirement of ensuring that all primary aged pupils can swim 25m by the end of Year 6, we aim to include swimming in our PE provision every year. The organisation of this is based on the sessions offered to us by One NK at the North Kesteven Swimming Pool. This year we will run swimming lessons for pupils who the school has not previously verified their ability to swim 25m. Lessons will start after the Easter break for a period of 5 weeks.

There is no cost to this weekly session - the pool's swim instructors, our sports coach and the transport are all funded by the school.

For these sessions, your child will need to come to school in their PE kit. Children should have their swim kit on under their PE kit when they come to school and in their swim kit bag, they will need clean underwear and a towel, those with long hair will require a swim hat. As with all PE lessons, all jewellery must be removed independently by the child. Please remove any earrings at home on swim days.

Swim times will be 13:30—14:00 at North Kesteven Pool, transported by Sleafordian Coaches.

For reference:

· **Dates: 23rd April, 30th April, 7th May, 14th May and 21st May 2026.**

· **Kit:** Trunks (loose fitting trunks are not permitted) /One piece swimsuit
Swim Hat (for those with long hair)
Towel

Kind Regards

Wendy Daley
Headteacher
