Friday 22<sup>nd</sup> May 2026 Term 5 Week 5

It has been another fantastic and busy period in school, filled with learning, achievements, and plenty of fun activities for our pupils!

Children across the school took part in important online safety sessions, helping them to better understand how to stay safe in the digital world.

Our football teams have been in action both at home and away, demonstrating excellent sportsmanship, teamwork, and determination. We are incredibly proud of how pupils have represented the school, not only in their playing ability but also in their positive attitudes.

Pupils enjoyed energetic Ultimate Frisbee sessions led by Premier Education. Who knew the all the different things you can do with a frisbee!

Little Eagles had a lovely outing, taking a walk around the village to post letters in the post-box. This real-life experience supported their learning and was thoroughly enjoyed by everyone.

We are delighted that the FOEs have reintroduced the Friday FOEs' Delights!

These delicious treats have been a huge hit and provide a wonderful way for the school community to come together, raise money and end the week on a sweet note.

All classes participated in an exciting Lego Robotics Day, where pupils explored creativity, problem-solving, and teamwork through hands-on activities. It was fantastic to see such enthusiasm and innovation across the school.

A huge well done to our Year 6 pupils for completing their SATs with resilience and positivity. To celebrate, they enjoyed a movie and popcorn afternoon, kindly provided by FOEs — a well-deserved treat!

 To round off SATs week, FOEs held our vibrant Colour Run. It was brilliant fun, full of colour, energy, and laughter, and extremely well organised.

Thank you to all FOEs, staff, pupils, and families for making these events such a success. We look forward to more exciting activities in the last term of this academic year!

## Our highlights:

Little Eagles – All the children enjoyed making their bee puppets as we celebrated World Bee Day. “My bee is angry because someone’s eaten all his honey,” Riley said.

Class 1 – Everyone enjoyed tasting Indian food as part of their topic. They all had a go at trying the food. Isla said: “This is hot!”

Class 2 – Pippa enjoyed our microhabitats topic in science. We made a wormery and did a woodlice experiment. Ranell loved all his learning this term, especially PE. We have done rounders games and ultimate frisbee.

Class 3 – Bertie said about Lego robotics: “This is the best day ever!” Mr Anderson thought this too!

Class 4 – Year 5 have enjoyed our geography fieldwork, writing about Pandora in English and ultimate frisbee was really fun.
