

Dear Parents and Carers,

I cannot believe we are at the end of another school year!

2025/26 has been a busy one! Lots has been happening behind the scenes in school this year. We have been strategically building on the successes of last year and further developing the new curriculum across more subjects in order to continue with the consistent approach to our pupils learning and remembering more. Teachers and staff have been busy expanding their knowledge and learning through courses and new challenges. We are also looking forward to some further updates and makeovers within the school grounds which will help expand our learning environment and build on our enrichment within the school.

This year has also brought many changes to our staffing with some of our long term dedicated staff retiring. After over 25 years of service at Eagle Community School, we said goodbye to Mrs Haynes at Christmas and with also over 25 years of service Mrs Egan is retiring at the end of the summer term. We wish both of them a happy retirement and thank them for all of their hard work, love and attention that they have given to Eagle Community Primary School.

Miss Hughes will also be leaving us at the end of the summer term, and we thank her for all her hard work and consistency in supporting our Class 2 children. We wish her good luck for the future.

We are therefore excited to be welcoming Mrs Orrey as the Class 2 teacher for the next academic year. Mrs Orrey brings with her a wealth of experience which will be invaluable to Team Eagle.

We have had another year of great enrichment opportunities through in-school visits, sport events and trips such as our visit to Magna back in March and most recently a great whole school trip to Lincoln Cathedral, Castle and Arboretum where the children enjoyed activities and learning about our city's history. We also hosted a great mix of after-school and breaktime clubs, all run by our teachers, Premier Education and teaching assistants; we thank them for taking the time to provide such a great mix of clubs for our children.

As with last year some of these opportunities would not be possible without our Friends of School. This year we had a new team running all the events and we thank them for continuing to raise such a huge amount of money to provide all our children with additional opportunities. It was great to see some of our favourite events return this year such as the pancake flip, the summer fayre and of course FOES delights. It was also exciting to see some new events. One of my favourites was the Spring Colour Run. This was such fun and a great way to spend a sunny Friday afternoon. This was just another example of our community thriving and enjoying time together

Once again, we have seen our children displaying the school values across the year inside and outside of school: 'Perseverance, Respect, Integrity, Diligence and Empathy'. It always humbles me when I watch our children at events such as church assemblies, sports days and class shows, in how caring, supportive and helpful they always are towards each other.

Our governing body works hard to support our school development plan as part of the Leadership and Management team and this year we have all taken new priorities and carried out relevant training and monitoring working with staff to support them and the school on our journey. We have continued to work alongside the Local Authority through monitoring and training and other small local school governing bodies.

We do currently have a vacancy for a community governor to join our team, and this will be someone who would like to help the school grow and develop in order to enrich the community. If you know anyone who would be suited to this role, please let them know they can contact the school office anytime to enquire.

If you ever need to speak to a member of the Governing body, please contact the school office and they will be able to put you in touch with the relevant Governor.

All of the Governors at Eagle CP School hope that you enjoy the summer, we wish our Year 6 children well for their move to senior school and we look forward to welcoming everyone else back in September.

Wishing you all continued good health.

With very best wishes,
Emma Tiffin
Chair of Governors

Headteacher: Mrs Wendy Daley
