

What is bullying?

For something to be bullying it has to have happened:

Several Times On Purpose

Bullying is not when people have a disagreement or fall out over something

Bullying is intentional. Bullying is repetitive, it happens over and over again. It isn't an incident that only happens once

Bullying is not just banter
Bullying involves an imbalance of power

Bullying can be by one person or a group of people
Bullying can be in person or online (cyber bullying)

Our school value "Respect" means that we treat others how we want to be treated - and that means that bullying is never accepted at Eagle School
