Phonics Open Morning

Dear Parents/ Carers

We know that you are very supportive of your child's learning and regular reading is the most important way that you can help your child learn at home. We value our partnership in teaching the children to read and we think it is important that similar strategies are used at home and at school. Our key aim is also to make sure every child takes pleasure from reading and has a rich and varied reading diet. This can be achieved by working together to support the children along their reading journey.

To this end, we would like to invite you to a Parents' Phonics Open Morning on **Wednesday 30th September at 9am** for the opportunity to observe a phonics session and also for a short meeting where we will offer strategies to support your child at home. There will also be the opportunity to ask any questions you may have with regards to phonics. Please drop your child off as normal and then come to the school office for entry. We anticipate a 9:45/ 10:00 finish.

Please confirm your attendance by completing and returning the slip below.

Yours sincerely

Mrs Orrey
